

# Free Business Advice and Support for Small Businesses in Exeter

**To help you start-up:** we provide free one to one advice, business coaching and mentoring, opportunities to promote, network and market your business, all aspects of business planning, access to the Exeter Enterprise Club and full support during your pre-trading period and for a full year after you have started your business.

**We also provide advice and support for existing small businesses in the city:** You receive a free Business Health Check to help you with growth planning, sustainability and business recovery.

**If you would like to find out more, please contact our Business Advisor:**

Phil Deem, Exeter Business Support, on 0775-2222-676 or email:
