Following this assessment, and provided your application is in order, your organisation will be issued with a membership certificate, a welcome pack of marketing materials, and a username and password to enable you to access the Members Only section (currently under development) on the TFYC Just Ask website – www.tfyc.org.uk

The Members area on the website allows you to view and download logos, newsletters and other good practice documents, and provides valuable information about TFYC, suppliers and any special deals available to Members. It is intended that additional features will be added to the Members Website in due course.
